

A4 Cutting Die Insert
210x297mm 216x303mm
(with bleed)

Bleed Area - the extended background (pattern and/or colour) by additional **3mm** on each side – **do not** include any text or any important content as this area will be trimmed off. This is to allow for slight variation during cutting process.

Cut Line - final size of the Insert. Anything beyond this line will be trimmed off.
