

Photocentric

A4 Stamp Insert

210x297mm

216x303mm (with bleed)

Bleed Area - the extended background (pattern and/or colour) by additional **3mm** on each side – **do not** include any text or any important content as this area will be trimmed off. This is to allow for slight variation during cutting process.

Cut Line - final size of the Insert. Anything beyond this line will be trimmed off.
